Executive Head Teacher: Susannah Hill

Head of School: Laura Dominey

27 November 2023

Dear Parents and Carers,

Re: Food and nutrition education

This half term we will be making and tasting bread as a part of Design and Technology, healthy eating and developing practical skills to make a variety of dishes.

We will be cooking in small groups so that we are able to work as hygienically as possible. To ensure that we can reduce cross contamination as much as possible and adapt our recipes according to children's needs, please fill in the online form using the link below to inform us of any intolerance or allergies that your child may have.

<https://forms.office.com/e/EJ7WZtRv6d>

Please be rest assured that we will do everything we can to ensure that all children can take part as safely as possible and that any children with allergies or intolerances will be cooking first and in our DT kitchen away from allergens to reduce cross contamination and contact identified foods.

Thank you,

Miss West and Miss McDonald

Year 2 Team
