

## Maths

We will start this half term focusing on multiplication and division, counting in 2's, 10's and 5's and then sharing by making equal groups. We will then focus on fractions looking at finding half of quantities and shapes and then finding a quarter of quantities and shapes. We will also be moving beyond numbers to 50 by going up to 100.

## English

We will start this term by sharing the story of Rainbow fish and look at setting descriptions and re telling the story. We will also look at non-fiction writing and make fact files about under the sea. We will also look at a wonderful film called Bubbles which will lend to creative writing and allows opportunities for us to further develop our use of conjunctions. Then our last story of the half term will be 'Lost and Found' by Oliver Jeffers and will allow us to write narratives about losing and finding.

## Art/DT

In D.T we will be focusing on textiles this half term. We will learn how to join two materials together by weaving and will look at measuring, marking out and shaping.

Year 1

Summer 1

Explorers

## Computing

In Computing we will be exploring data and information and looking at ways in which we can sort and group data. This will involve labelling, sorting, counting and describing objects and looking at similar features for sorting.

## History/Geography

Over the next half term our topic will be 'Explorers'. We will be focusing on the lives of significant individuals from the past and their national/international contributions.

## Music

In Music we will continue to build on the vocabulary and skills that we have previously learnt and we will be having fun with improvisation. We will look at songs that we can sing during the day that go with our day to day activities such as getting dressed and brushing our teeth.

## Science

In Science we will be looking at plants and observing changes over time by planting our own beans and keeping a bean diary. We will also look at seasonal changes, thinking about the weather, temperature and observing this for ourselves.

## RE

In R.E we will be learning about Judaism and the importance of Shabbat. We will be comparing this to the importance and routine attached to days of the week and will also compare and contrast with our previous knowledge of Christianity.

## PSHE

PSHE will focus on 'Healthy Me' and 'Being My Best'. This topic will look at a healthy diet, germs and keeping ourselves safe.

## PE

This half term our P.E lessons will move to Tuesdays and Fridays and we will focus on further developing those key skills that we have been learning throughout the year. We will also move onto striking and fielding skills.
