

English

- ◇ Texts: *Wolves* and *The Dragon Machine*; building their writing skills through reading texts, investigating language, characters, story structures and information texts. They will be encouraged to up-level their work by reading through and editing it, using more powerful adjectives and making sure their sentences make sense by self-correction.
- ◇ Spellings: They will be practising Year 1 and 2 words and spelling patterns – please log onto Spelling Frame for your child's spellings to learn at home. Please continue to hear your child read at home.

Maths

- ◇ We are going to be continuing with addition and subtraction with regrouping.
- ◇ We will then be learning about money; value of coins, adding and subtracting and working out change.
- ◇ We will then be moving onto fractions.

Science

PLANTS: We will be observing & describing how seeds and bulbs grow. We will also be exploring the growing needs and conditions that plants require to grow.

Year 2 Summer 1

PE

- ◇ Athletics; we will be exploring the skills used in athletics with Mr Noyce
- ◇ Striking and Fielding: We will be developing our skills in striking and fielding techniques.

Geography

From London to Beijing

We will be learning all about China, with a focus on Beijing. We be exploring the similarities and differences with London, and explore the different cultures. We will also be tasting Chinese food and learning about the Chinese New Year.

Music

We

RE

Our focus question this half term is: 'Does going to a Mosque give Muslims a sense of belonging?'

PSHE

Rights and respects will be explored this half term in PSHE. Children will think about emotions and how to get on with others, how to listen but also have their say.

French

We

Computing

Programming and robot algorithms; learn to enter commands to make something work and how to debug a program if not successful.

Art

We will research moving vehicles and join materials, making axles and design their own vehicle.
