A word from the Headteacher

Dear Parents

Welcome to another issue of Roundabout and the year really does seem to be gathering pace very quickly now. I would like to begin by saying how very proud I am of our Year 2 and Year 6 children for how hard they have been working on their learning as they approach their new style assessments. It would certainly be fair to say that the Department for Education has not made life very straightforward for the children in these year groups. Changes of the magnitude of the ones this year should be well planned and conducted in a timely manner but this has certainly not been the case. Indeed I feel that it is important to inform parents of one error amongst a catalogue of others which has affected our school directly. As part of the new Grammar, Punctuation and Spelling tests, we were instructed to take part in an early trial of the materials in Year 2. Therefore

last week our Year 2 children did these tests, the teachers marked them and got them ready to send off to the Department for Education (DfE). Following the early administration, it came to light that someone at the DfE had accidentally published the live tests on their pre-test materials website in error. Many of the children who sat these early assessments had, therefore, already seen the live tests and this would have also meant that every school that was taking the tests in May would have had a significant advantage. It is because of this that the tests became meaningless and have now been scrapped for this year. Our children however, have had to do them and our teachers have had to mark them which has obviously been very time consuming.

I do not like to use my space in Roundabout to moan. However I do feel here that it is in your best interests to be informed of issues like this. Furthermore, if this had been an isolated example I would not have highlighted it. However, this is one example out of a great many oversights and concerns that have been raised this year across education and I for one can claim to be a little frustrated. Still... onwards and upwards as they say and whatever happens this year I could not have asked our children to have tried any harder, or our staff to have worked any harder.

Simon France

Head Teacher

"To clarify the situation for schools about the administration of the KS1 tests in May, the Minister of State for Schools, Nick Gibb, has announced that schools will not be required to administer the KS1 English grammar, punctuation and spelling tests for this year only. All other KS1 and KS2 tests will continue as planned."

This email is an official communication from the Standards and Testing Agency.

kids THE JUNCTION

Sport Relief/ Student Voice:

The Student Voice voted to support Sport Relief on Friday 18th March. The whole school gathered to watch a very gripping staff netball match, which lasted the entire morning! Mr France and Mrs Dominey played the whole 2 hours and various staff members played on their teams throughout the matches. The children, who had come to school dressed in their favourite sporting clothes, had a fantastic time cheering for their teachers and support staff. The atmosphere was amazing and although it was quite competitive, nobody is quite sure who actually won; however there was certainly a lot of aching muscles over the weekend!

Our school sports leaders collected the children's donations as they spectated

and the amount has now been calculated. We raised an incredible £481.54, which is just brilliant! A special mention to Tayo and Jacy Partridge who raised over £100 between them to donate to the school fund, by running 5 miles at the weekend. Well done girls, you are an inspiration!

It was a fantastic day and a great team effort to raise so much money. Thank you, as ever, for all of your generous donations to support such a worthy cause.

**The Student Voice
& Mrs Murray**

The atmosphere was amazing and although it was quite competitive, nobody is quite sure who actually won.

More Student Voice...

The children all really enjoyed dressing up as their favourite teacher on 'Dress as a teacher day' to raise money for Cancer UK and Julia's house. As always we were really impressed with the effort to which you went to produce some very comical and clever outfit choices. We raised a fantastic £320.93. Thank you so much!

The Student Voice & Mrs Murray

Music

It has been lovely to see the new Music Practise Room in full use, with children engrossed in their lessons. It is the perfect space to enjoy their music making!

There is a buzz of activity in every corner of the school with children from choirs, orchestra and drama groups rehearsing

for our forthcoming show 'The Boy in a Dress'. Everyone is singing and playing lines from ABBA songs! Full cast rehearsals will begin in June for our performances, which will be held at Lytchett Minster School on 23rd June 2016. It is great to see so many children involved and committed to our school production.

Top Row (left-right): Ladybird, Honeybee, Dragonfly, Butterfly, Skylark, Nightingale, Woodpecker, Kingfisher, Puffin.

Bottom Row (left-right): Swan, Osprey, Buzzard, Kestrel, Merlin.

GOVERNORS' CORNER

.... AND SOME HAVE GREATNESS THRUST UPON THEM!

Those words, written by Shakespeare for Maria in Twelfth Night seem very appropriate in my current circumstance, and hopefully they grabbed your attention!

Before explaining why I chose to start with that quote I would like to congratulate Rachel Thynne and Alex More on their election as parent governors, and welcome them to our governing body. I would also like to thank the parents who were not elected, for putting themselves forward. At a time when many schools are struggling to find governors it is wonderful to know that seven parents were willing to stand for parent governor.

Why the quote?

When I retired and was invited to become a governor I was delighted to remain involved with our school. I felt that I had appropriate skills and knowledge that would allow me to contribute to the successful performance of the governing body. Having been a member of both our *Premises, Finance & Marketing and Curriculum committees* I still believe that I can contribute effectively to the running of our school. In the absence of any other willing volunteer I accepted the role of Vice-chair in the knowledge that we had a strong and committed Chair (Kris Knudsen), who I was happy to support. As Vice-chair I was more than willing to substitute for the Chair when she was unable to attend meetings or there was an issue that needed immediate attention and Kris was unavailable.

However, since the recent parent elections I now find myself in the role of Chair.

To be perfectly honest, whilst I feel I probably possess the required knowledge and skills, I do not believe I have the time to remain a fully competent and effective long term Chair of our Governing Body.

The role goes far beyond simply chairing meetings and my numerous other commitments mean that I do not feel I can do justice to the role of Chair.

According to national guidelines, an effective chair of governors:

- works with the headteacher to promote and maintain high standards of educational achievement
- ensures that the governing body sets a clear vision, ethos and strategic direction for the school
- with the governing body holds the headteacher to account for the educational performance of the school and its pupils, and for the performance management of staff
- ensures oversight of finances

The key roles of the chair are seen as:

Leading effective governance: giving the governing body a clear lead and direction, ensuring that the governors work as an effective team and understand their accountability and the part they play in the strategic leadership of the school and in driving school improvement.

Building the team: attracting governors with the necessary skills and ensuring that tasks are delegated across the governing body so that all members contribute, and feel that their individual skills, knowledge and experience are well used and that the overall workload is shared.

Relationship with the headteacher:

Being a critical friend by offering support, challenge and encouragement, holding the headteacher to account and ensuring the headteacher's performance management is rigorous and robust; a good comparison is with the role of the chair of a board of trustees who works with the chief executive of an organisation but does not run day-to-day operations.

Improving your school: ensuring school improvement is the focus of all policy and strategy and that governor scrutiny, monitoring and challenge reflect school improvement priorities.

Leading the business: ensuring that statutory requirements and regulations are met, that the school provides value for money in its use of resources and that governing body business is conducted efficiently and effectively.

The chair plays a crucial role in setting the culture of the governing body and is first among equals, but has no individual power. The governing body is a corporate entity and its power and authority rest with the governing body as a whole. On occasions, the chair may need to take chair's action in an emergency, but any such action must be reported to the whole governing body as soon as possible.

Managing time effectively is important and national guidelines suggest that generally being chair should take up no more than 20 days a year. In reality, it usually requires more than this, particularly if you take into account involvement in appointments, judging competitions, attending assemblies, sports days and other events.

Given all of this you might wonder why anyone would want to take on this role. Thankfully, as with all volunteer roles, there are I am certain, people prepared to give the time and commitment required. For this reason, I have called an Extraordinary General Meeting for the sole purpose of discussing and resolving this issue. Whether one of our existing governors is able and willing, or we have to seek one from outside our current number, I have no doubt that by the time you read this we will have appointed a new Chair.

In the meantime, I can assure you that I and the rest of the governing body will continue to ensure our school provides the fantastic education that we all expect, and of which we are all proud.

David Dorrell

(Acting Chair of Governors)

SCHOOL NEWS...

Welcome Mr Spence!

Welcome Mr Spence!

We would like to extend a warm welcome to Mr Andrew Spence who joined the staff in March as a full time Higher Level Teaching Assistant (HLTA). Mr Spence will be supporting all classes across the school and delivering specific interventions in Mathematics and English.

Mr Spence is also a fully trained Emotional Literacy Support Assistant (ELSA) and will be offering support to children in small groups and on a 1:1 basis, alongside Mrs Farwell and Mrs Talbot. Mr Spence brings with him a wealth of experience and is very much looking forward to working alongside your children; he has quickly become a much-needed member of our team!

Dance Show

It was a real privilege to watch the LA Dance Academy's annual show on Saturday 20th March at the **Barrington Theatre** in Ferndown and witness the talent of some of our students who performed there over the weekend.

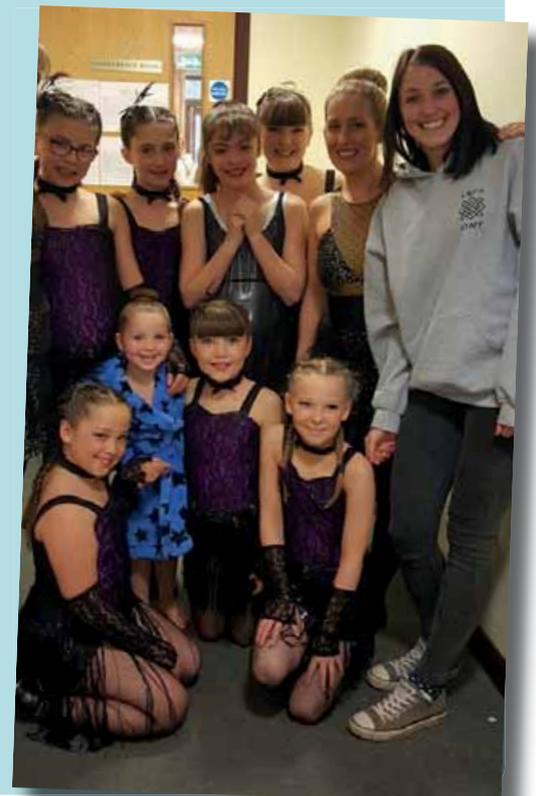

The girls have obviously worked very hard over the last few months and they really did themselves proud. They definitely won the award for the biggest smiles and although all of them performed exceptionally well, I do have to mention **Rhea Moors** in particular, whose lifts left me with my heart in my mouth; they were very daring yet brilliant!

Lauren Hawkins (Yr7)

SCHOOL NEWS...

Able Maths Day

Four children from Year 3 and 4 were lucky enough to be invited to take part in an Able Maths Day, at Bearwood Primary School. The workshop was run by one of the UK's leading maths tutors, Pete Hall. During the day the children got to take part in problem solving tasks, with a mix of logical and practical questions.

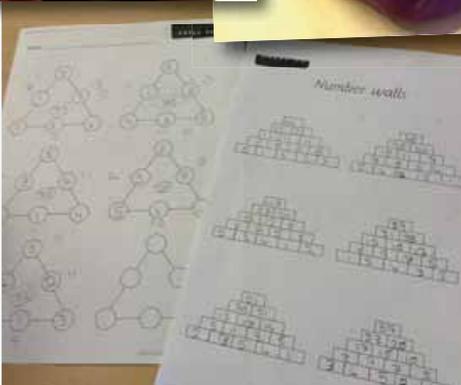

"I enjoyed the 'brick wall' activity, where we had to use numbers 1 to 5 along the bottom bricks, and see if we could make the biggest and smallest total at the top. It really made me think"

"I enjoyed the calculator activity, where we had to challenge children from other schools!"

"My favourite thing was the brick wall activity. I also enjoyed the tangram activity; it really made our group think and was a challenge!!"

(Joe Vujcic, Joshua Gordan-Nelson, Lily Hill, Ocean Tee)

Mrs Foster
Mathematics Leader

E-Safety Day

On Friday the 26th February the Dorset Safe Schools & Communities Team visited our school. Each year group received a special talk all about how to be safe online. Each year group received information relevant to their age. We all learnt that to stay safe online you need to: keep your personal information to yourself; not meet with people you have only been in touch online with and not to accept or open emails from people we don't know.

Parent E-Safety Workshop.

In addition, on 15th March, E-Safety workshops were by the Dorset Safe Schools & Communities Team for parents. These free seminars provide you with all the information you need to keep your child safe online. Look out for them in the future!

Mr Long
E-Safety Leader

Drama Day with the Treehouse Theatre.

As part of the Year 4 Topic, Walk like an Egyptian, the children took part in a drama day with the Treehouse Theatre. It was absolutely fantastic, here is a recount of the day from Eva Hampson.

Year 4 Ancient Egyptian Drama Day. On Monday 8th February, year 4 did a drama day, all about the Ancient Egyptians and Ancient Egypt. Most of the children (including me) dressed up as someone from Ancient Egypt, I dressed up as Cleopatra.

First of all we went into the hall and met a man called Ben. Ben was really, really funny, he could speak in lots of different accents too! Ben was most of the characters, he was even Cleopatra! Ben told us a few things that we needed to know about the play, then he told us all the different groups we were in. I was in group 3, there for four groups altogether. Swan class were in group 2 and 4, whilst puffin class were in groups 1 and 3. I was with lots of my close friends. Mia was Queen Nefertiti, and Scarlett was a spice trader. After we had finished each part we would put all the parts together! In the play

I was a priest and scribe. We each took turns to do the play, whilst one as group was doing the play the other groups would make something called a cartouche in the classroom. On my cartouche I had millions upon millions of rubies! It took forever to draw them, and then I had to colour them in!

After lunch it was time to do the play for real, with all of the parts fitted together! Mrs Foster videoed all of us acting out the play! The play was fabulous! I nearly forgot my line, but I didn't! I really enjoyed the play, my favourite bit was when Ben was dressed up as Cleopatra! The play was super, I had a great time!

By Eva.

Thank you to everyone who were able to make it in at the end of last term to share the topic work the children had completed about Ancient Egypt. They all had a wonderful time and we hope you did too!

Mrs Foster
Year 3/4 Leader

SCHOOL NEWS...

World Book Day- March 3rd 2016

COLOURFUL characters from the world of literature were brought to life by pupils and staff at Lytchett Matravers Primary School. From fairytale characters, crossed dressed boys, to vibrant Mr, Men characters- the school was full of famous and animated book characters!

Now in its 19th year, World-book day is the biggest worldwide celebration of authors, illustrators, books and reading-taking place in more than 100 countries across the globe. This year's celebrations have been the most successful to date.

Children and staff thoroughly enjoyed the day- where they experienced a range of exciting and enjoyable activities based around famous books and authors, David Walliam's still being a firm favourite followed closely by Roald Dahl.

This year, all the classes made a visit to our local village library. Mrs Thomas had prepared a quiz for all the children to do in small teams. The winning team was 'Nightingale Class'. Mrs Thomas also read a story to all the children. The visits were enjoyed by all.

Buzzard Class listening attentively.

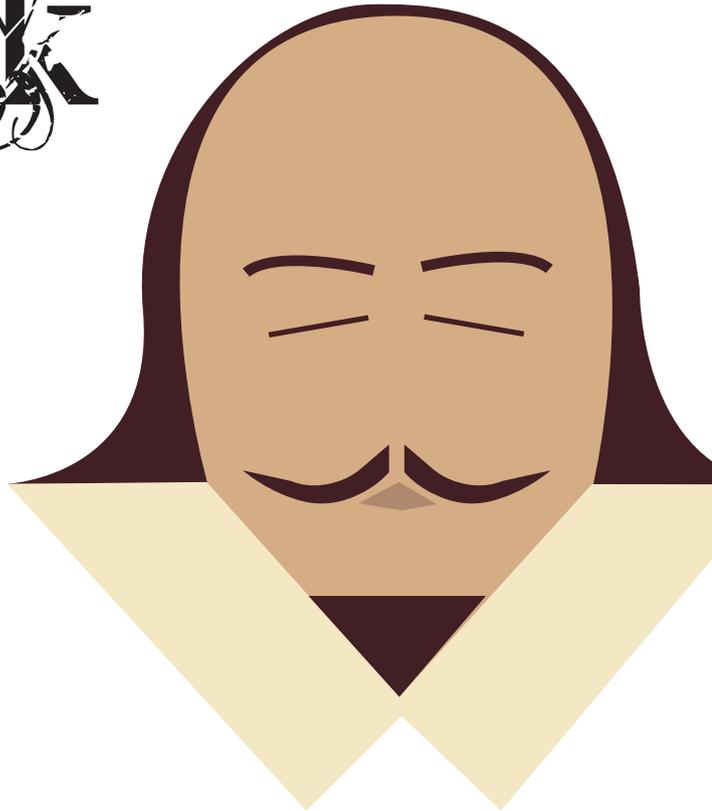

We thank you, the parents and guardians, for all your efforts with the children's outfits!

Year 6 Celebrates

Shakespeare Week

On the 14th March 2016, Year 6 visited the library to discover more about the famous writer, William Shakespeare.

First we read a selection of phrases and had to guess whether or not they were compliments or insults, for example 'thou peevish paper-faced hedge-pig' (definitely an insult!) and we learned about Shakespearean phrases still in use today for example: 'fancy-free' or 'in a pickle'. Then we watched a short snippet of the play, MacBeth, by the Castle Players. It was excellent! Back at school, we studied the story of MacBeth and acted out a version of the play as a class.

We also wrote a character sketch of Lady MacBeth or her husband. Overall, we learned more than we expected and enjoyed it thoroughly too!

by George Sibley, Kestrel Class

SPORTS NEWS...

Magnificent Team East Dorset High 5 Netball Tournament 2016

Words cannot express how glowing with pride Mrs Foster, Mrs McKenzie and I are for our school netball team. On Wednesday 2nd March 2016, they attended the East Dorset High 5 Netball Tournament to attempt to qualify for the Dorset County Finals and were nothing short of amazing. The determination, teamwork and sportsmanship skills displayed were incredible and we could not be more proud.

The squad won all 3 of their initial matches, winning their pool and beating Castle Court 5-0, Sandford 7-0 and Ferndown 7-1. They then continued into the semi-finals, playing for a place in the Dorset County Finals and won this game 3-2 against Cranbourne Middle School. The children then played the tournament finals; drawing 1-1 against Allenbourn and achieving joint 1st place overall, securing a place in the County Finals.

It is so important to celebrate the achievements of our children, but also,

the hard work and commitment of each staff member. The children have achieved so much because they have a team of wonderful people behind them.

Glowing with pride, as always.

Mrs Dominey

Netball County Finals 2016

What a superb effort from all of our children who represented LMPS at the Dorset County Finals for Netball this year. They played their hearts out and were true sportspeople.

Although they lost every game, they continued to fight and played netball to a superb standard. They should all be very proud of themselves.

Player of the tournament awarded to
ISABEL BARTLET

Most improved player was awarded to
ISABELLA D'ARCY-WYKES

Sportsperson was awarded to
CHARLOTTE HENRY

Throughout the year, all of the children who have attended netball club have shown commitment, determination and sheer grade A effort. We are very much looking forward to developing our team for next year, but will, once again, be very sorry and sad to see our superb Year 6 players leave this year. We hope you continue to play and enjoy netball!

**Mrs Dominey, Mrs McKenzie
& Mrs Foster**

Coaches Notes

In my life as an adult I have never watched, supported or coached a team that has fought that hard or come back from so far to win a trophy, it was inspiring. The children left everything they had on the pitch and truly deserved what they got. Mr Noyce and I are so proud to have had the pleasure to coach these children and it goes to show when you never give up, you always have a chance. They all should be so proud of themselves because without their grit, determination and fire it would not have happened. Well done squad, well done Tag Rugby team and well done LMPS. GROUP 5 CHAMPS!!

From
Mr Smith
PE Leader

A day before the Easter holidays our Year 5 and 6 Tag Rugby squad played in the Dorset County Finals at Oak Academy. Since September the children have had some intense training and tactical preparation to get themselves prepared. In the morning they were representing the school very positively when watching the opening ceremony. For the first set of games we were randomly organised into groups. For our first game we came up against the eventual county champions St Kathrines. They were a tough team but we came out fighting only going down 7-3. By the end we started taking control of the game scoring 3 tries in succession. Our second game came against Stoborough. The children had the fire in their bellies and within seconds of the whistle we were ahead. At no point in that game were we behind and ran out 5-3 winners with some scintillating attacking play. Our final group match of Round 1 came against Mere. It was a hard fought game with the scores going back and forth but unfortunately we lost 5-3.

During lunch the children had the chance to meet, take pictures and get some autographs with Abi Chamberlain the England Women's Rugby 7s captain and play a fun game of rugby against the two men from the Under 19 Olympic Volleyball Team that are heading to Rio this summer. This was a great experience for the children, clearly inspiring them for the future.

In the afternoon all the teams were seeded into 6 different groups depending on the amount of points gained from the first round. We were seeded into Group 5 and had a chance to win the Group 5 Trophy however we didn't start well... we lost our first game 7-5 to Oakdale missing a few tackles on the way but scoring some cracking tries.

The children always kept their heads up and knew we had to win the next two games and hope results would go our way to win the trophy. The penultimate game was against St Marys. Again we didn't start well going down 3-0 in the first 5 minutes but this is where it all changed!! Here begins Mission Impossible. Mr Noyce and I had a quick chance for a team talk. The children came out of the blocks in the second 5 minutes. Slowly pulling St Marys back. 3-1, 3-2, 3-3 every try that went over another smile crept onto the children's faces. The children always believed they could do it, never giving up, even at 3-0 down. With time running out one of our team intercepted a looped pass from St Marys breaking free to score the winner!!!! 4-3 the children, parents and coaches were ecstatic. I still have goose pimples writing this today and its Easter Friday! The siren sounded, the game was over and we knew results had to go our way to have a chance of winning the group. Oakdale drew their final game to St Marys which meant it was a straight winner takes all in the final game against Hazelbury. Before the match the children's heads were up they were ready. The fire was burning bright and after a few pointers from Mr Noyce and myself we were off, the biggest game of the season! The game was tremendously close all the way through. The children never gave up! It was our best all round game. All the tackles were made, all the passes were caught and all the attacking play was fast and effective. The children were in touching distance leading 5-3 with a minute to go. Hazelbury scored with seconds remaining to set up a tense final few seconds but we kept possession well and as we attacked the siren sounded. .. GROUP 5 CHAMPIONS!!! The children had done it, against all the odds, down and out at 3-0 in the 2nd game, the children had done it!! What a performance, what a team, what a day!! The children were ecstatic, Mr Noyce and I were buzzing and the parents were thrilled. The trophy and Mission Impossible was complete.

SCHOOL NEWS...

Eco Team News

Well, what a busy month it has been! Planting is in full swing, from beautiful sunflowers to cress, potatoes,

spinach, peas and beans. We have also gone one step further this year and launched a whole school growing competition! Each year group have been given (courtesy of Mrs Lake) a propagator, seeds and soil to see who can grow the best vegetables – there is a small prize up for grabs for the winner! I wonder which year group will have the greenest fingers?

Eco club every Monday have also been busy planting a lovely wild garden in our recycled bath tubs on our allotment. We hope that the plants will attract beautiful butterflies and wildlife.

A huge thank you must go to our super pre-school who have been very busy clearing our allotment to make way for a lovely outdoor classroom. Although work is still in progress, the great weather has enabled many of the children to

make excellent use of this area.

Another huge thank you must also go to Forest Schools who constantly help to make our outside area a super learning environment.

Our Eco Greenhouse is now starting to take shape. We have started to prepare the bottles we have to make the side panels of the house. More bottles are still needed please but we are now $\frac{3}{4}$ of the way there! We're getting closer!

Thank you for all your continuing support with all things Eco.

Mrs McCabe and the ECO TEAM

Free School Meals

To make an application for Free School Meals (FSM), please ring 01305 251000.

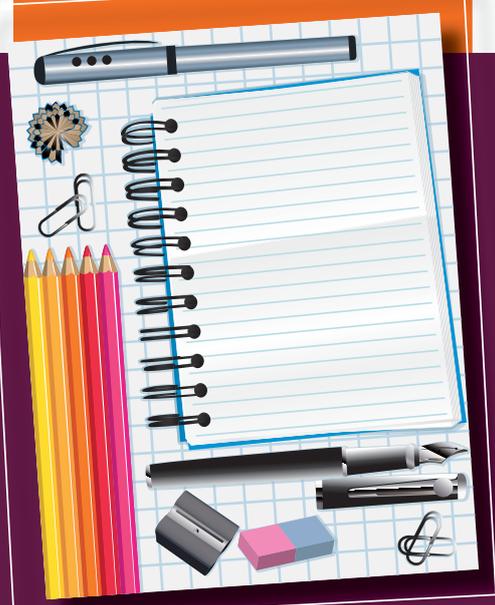

You will be asked your name, date of birth, national insurance number and your child's name, date of birth and address.

If you have any problems, please do not hesitate to contact Mrs Marsh in the school office.

£100 Allowance

Any child that is entitled to free school meals via pupil premium, (i.e. in receipt of free meals because you are in receipt of benefits), can now claim £100 per school year to use towards costs related to their child's education. This funding can be

used for items such as school uniform and educational school trips/experiences like swimming for example. In order for you to claim part or all of your £100 allowance, please speak to the school office, or contact Mr France or Mrs Dominey.

Fairtrade

Friday 11th March.

Go. To write a recipe recipe.
Context: Fairtrade items.

! Fair trade Chocolate Biscuits!

I'm this Chocolate Biscuits, it's has fairtrade things in it, and it will be delicious! (Trust me, I've made it before!) So I hope you enjoy my super yummy biscuits!

Equipment:

- Whisk spoon.
- 200 ml. Coconut oil = fairtrade
- 150g Golden granulated sugar = fairtrade.
- 100g dark brown soft sugar = fairtrade
- 2 tsp Vanilla extract.
- 3 Medium eggs.
- 60g Cocoa powder = fairtrade.
- 100g Self raising flour.
- 1/2 tsp salt.
- 1/2 tsp sodium bicarbonate.
- 23 cm square tin.
- about.
- baking paper.
- Oven.
- measuring scales.
- measuring spoons.

Method:

1. Firstly wash your hands!
2. Next get all the stuff you need to make the biscuits.
3. pre-heat the oven to 160° C.
4. Get both the sugars, the cocoa powder, the flour, the salt and the sodium bicarbonate.

TEA

Michaela

Fairtrade Friday,
An amazing way to give,
India and other countries sell,
Ripe mangoes and choco beans,
Trading with each other,
Respecting one another,
A cool way to sell,
Destination to destination,
Everyone likes fairtrade!!!
