

## English: Reading into Writing

- ◇ The Lost Happy Endings: We will be exploring a lovely picture book about a girl who collect lost happy endings. From this, we will be writing a prologue to go with this book
  - ◇ Beowulf: This is a retelling (written by Michael Morpurgo) of a classic poem, where a murderous monster stalks the night, and only the great prince of the Geats has the strength and courage to defeat him
- We will also be continuing to explore VIPERS deeper and begin to get a secure understanding of how to answer these style questions

## Science

### Properties and Changes of Materials

We will be continuing our exploring from the previous term, where we will carry out investigations to explore reversible and irreversible changes. A focus will be placed on working scientifically and using technical scientific vocabulary.

## History & Geography

### Blue Planet!

We will be exploring the dangers our oceans are facing; over fishing, climate change, plastic pollution and global warming. This will allow us to have important discussions about the changes that can be made to make our world a better place.

## PSHE

Rights and Responsibilities: We will be understanding how money, living in the wider world and environment effects us.

# Year 5

## Spring 2<sup>nd</sup> half BLUE PLANET

## Music

Learning Viking saga songs about the Gods of Viking mythology.  
looking at how composers use sounds to depict landscape and journeys.

## French

During the second part of the term, the children will find out to give directions to different places around a town.

## RE

Exploring the Christian festival of Easter and Easter why it is so important.

## Maths

- ◇ Fractions: Adding and subtracting fractions; multiplying fractions; fractions of amounts; fraction problem solving
- ◇ Decimals and Percentages: decimals as fractions; decimal place value; thousandths; rounding; ordering and comparing; understand percentages; equivalent fractions, percentages and decimals

We will be using a range of manipulatives to deepen our understanding of these key concepts, which will further support us in solving mastery problems

## PE

- ◇ We will be explaining golf outside, where we will develop our aiming and technique in our skills.
- ◇ In the hall, we will be dancing. We will be learning the Haka and then creating our own version based on one of our favourite sports

## Computing

We will be creating our own webpages to share on the dangers that our oceans are facing

## Art/ D&T

Exploring a range of materials to make CAM Toys representing animals in the ocean. We will be using a wide range of resources to create these.
