

Maths

- Multiplication and Division
- Fractions
- Geometry- position and direction

The children will be using cubes, dienes and other manipulatives to explore and compare numbers. The children will be applying their knowledge to problem solving to consolidate their skills.

English

Texts: Rainbow Fish, Lost and Found, Pig the Pug. The children will be exploring language in the texts, using adjectives to create expanded noun phrases, learning to write letters, descriptions and retelling a story and creating their own versions.

Reading: Continuing phonics for decoding and comprehension of what has been read.

Spellings: The children will be practising spellings on spelling frame and taking informal quizzes weekly.

DT

Children will be designing and creating their own bowl. They will do focused learning looking at the designer Gunta Stolz to influence their designs and develop their weaving skills by combining materials.

Year 1

Summer Term 1- Heaths and Harbours

Computing

Using iPads and Laptops to look at coding, learning how things move and work in technology.

E-safety: keeping ourselves safe online and knowing what to do if help is needed.

Geography

Geography- Children will be doing a focused study on the local Poole area. Looking at the features of heaths and harbours and field map observations and compass work.

Science

- Identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals
- Identify and name a variety of common animals that are carnivores, herbivores and omnivores
- Describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals including pets)

PSHE

We will be looking at growth and fixed mindset to teach the children how to learn from previous mistakes to become independent, confident learners.

RE

We are learning to empathise with Jewish children by understanding what they do during Shabbat and why it is important.

PE

Athletics- Focusing on throwing for distance and accuracy, jumping for distance and running for speed. We will be practising these skills throughout the summer term in preparation for sports day.
